

# Same-day telemedicine with board-certified Heal Doctors 8am to 8pm, 7 days a week

Heal offers telemedicine to 100 million Americans across 8 US States including hard hit New York and California.

### What is Heal telemedicine for?

- All routine healthcare needs for infants, kids, adults and seniors.
- Medication refills, sick care, urgent care and chronic disease management.
- Diagnosing potential COVID-19 symptoms and risk factors.

### How it works

1. Book a telemedicine at [heal.com](https://heal.com) or download the Heal app.
2. Covered by most insurance and Medicare.
3. Talk to a caring doctor by video or phone.
4. Get follow-up care from your Heal Doctor.
5. Avoid exposure to COVID-19 in the safety and privacy of your own home.

### Available throughout:
